ABOUT CALCUTTA RESCUE

Calcutta Rescue is a pioneering Indian-registered charity working to improve the lives of the poorest people in and around Kolkata.

The NGO was set up by **Dr. Jack Preger**, a British Doctor in 1979, the pioneer of street medicine, who devoted his life to assisting people living in dire poverty in the city's slums.

Calcutta Rescue Handicrafts is accredited by **FAIR TRADE FORUM INDIA (FTFI)**. Calcutta Rescue received the **Guide Star Platinum Award** in 2017, one of the highest levels of recognition for transparency and public accountability, along with other prestigious honors. In August 2018 we received the 'A school that cares' award from **The Telegraph Education Foundation**, and our founder Dr. Jack was inducted into the foundation's Hall of Fame for his services to education in Kolkata.

Some of the charity's patients and school drop out students find it impossible to earn a living because of disability with illiteracy or lack of the necessary skills or confidence. Calcutta Rescue's particular strength is to actively support people with ill-health & poor literacy and offer them a way out of poverty, providing free medical treatment, education and employment-oriented training.

CALCUTTA RESCUE'S FAIR TRADE HANDICRAFT PROJECT

Calcutta Rescue's Handicraft Project was founded for patients to make clothes for other patients. Now it is a stand-alone project, is Fair Trade Forum India accredited and sells its products worldwide. Presently, we make more than 60 high quality handmade embroidery items, as well as clothes and school uniforms for other Calcutta Rescue projects. The makers are former leprosy and tuberculosis patients from our clinics and students who have had to drop out of our education centers. These people often have limited employment opportunities, so we offer them training and a decent livelihood. Recycled materials, old silk sarees and fabrics are the significant features in our products.

The team, nearly 50 strong, is composed of Handicraft project trained artisans who produce beautiful, recycled products / utility bags / gift items made with creativity and care to finish with highest standards.

Calcutta Rescue's handicraft products are available at some of the Kolkata outlets and in abroad, can be purchased directly from the Kolkata project or can be ordered through email filled with order form.

We accept customized orders

Select

Make a note of the product code, quantity, size and colours.

Place Order

Please share your contact telephone number along with the details in the select section. Please ensure the correct billing and delivery address are entered in to the purchase order form.
